

In the Event of INCLEMENT WEATHER OR OTHER EMERGENCY

In the event of inclement weather or other emergency it is important to note the following:

When possible, your therapist or prescriber will contact you to let you know your appointment is cancelled. Since it is not always possible for therapists to reach all clients, please do the following:

- Check our website www.westbergen.org for information on closings and delayed opening before your scheduled appointment.**
- Call the site location appropriate for your appointment to receive updates or to verify your therapist is in:
120 Chestnut Street, Ridgewood (201)444-3550
615 Franklin Tpk., Ridgewood (201)857-0080
1 Cherry Lane, Ramsey (201)934-1160
3 Post Road, Oakland (201)651-1900**

In the event of a power outage it is possible that only *some* of the phone numbers will be working. It would be helpful to try all of the numbers in case one is functional and that site would be able to provide you with accurate information regarding appointments and site closings or delayed openings.

Thank you for your cooperation.
