

Level 1 Autism Services Department
Fall 2017 WORKSHOP SERIES
For Professionals, Family Members and Students

1. **Level 1 Autism Spectrum Disorder 101 (formerly Asperger's 101)- Tuesday 9/12/17**
 Presented by Richard Miller, LAC, this workshop is designed for those who are new to the diagnoses and others interested in better understanding this Disorder and the changes being made to the diagnosis. The attendee will learn the diagnostic criteria, associated features, and strengths of the population.
11:00 AM to 12:30 PM.

2. **Therapeutic Social Skills for Individuals with Level 1 Autism Spectrum and Related Disorders – Wednesday 9/13/17**
 Presented by Loren Galese, LAC, this workshop will educate the individual on understanding the scope of interpersonal and social skills development frequently needed by individuals diagnosed with Level 1 Autism Disorders. The nature and complexity of social skills, various techniques and tools, how to target social skills development within the natural environment, and how to implement therapeutic social skills groups for children through adolescents will be examined. **11:00 AM – 12:30 PM**

3. **Two or Three for One: The Complexity of Co-Morbidity (additional diagnosis) in Level 1 Autism and Related Disorders – Thursday, 9/14/17**
 Individuals with Asperger’s, Autism Spectrum Disorder, Nonverbal Learning Disabilities and other social communication disorders often experience additional symptoms associated with various diagnostic categories. Sometimes the symptoms are significant enough to warrant a formal co-morbid diagnosis which may require equal if not more attention in the ongoing treatment process to impact daily functioning of the individual. Presented by Michela Tripodi, LPC, this workshop will review the symptoms and criteria for the most commonly experienced co-morbid disorders and examine various treatment options.
11:00 AM– 12:30 PM
