Understanding Digital Citizenship: A guide to Social Media and Online Safety

Social media has grown faster than any other form of communication in human history!

Children and adults are susceptible to various forms of social media and are often falling victim to misinformation and trolling practices.

Tuesday, February 26, 2019

7:00 – 8:30 p.m.

Ridgewood Library Auditorium, 125 North Maple Avenue, Ridgewood

Join us for a presentation and discussion on:

- Five best ways to spot Fake News
- Strategies to safeguard Online Privacy of yourself and others
- Five basic principles for protecting your digital footprint
- Impact of media on wellbeing – When there's cause for concern

Come learn best practices for protecting your digital footprint and maintaining online privacy, while acquiring the insight to encourage these practices for the children, teens, and seniors in your life.

Registration is complimentary and not required, but please help us plan accordingly and RSVP to [Chrissie @ clijoi@westbergen.org](mailto:Chrissie@clijoi@westbergen.org) or (201) 444-3550 ext. 7109
