

West Bergen's Social Discovery Program Presents:

**The SOAR Experience
&
CIT Program
2019
INFORMATION SESSIONS**

Come and learn about the **SOAR Experience** – a therapeutic social skills program in a day camp-like environment for children and teens with solid verbal skills who experience the social communication and social skills challenges seen in Level 1 Autism Spectrum Disorder. Learn about the fun filled summer days rich in social skills at the SOAR Experience for your child ages 6 –16 and have your questions answered.

An additional information session on the **SOAR Counselor in Training (CIT) Program** will follow on the same evenings. The CIT program is a vocational & work experience program for individuals with solid verbal skills who experience the social communication & social skills challenges seen in Level 1 Autism Spectrum Disorder ages 14-24.

Please RSVP two days prior to the evening you wish to attend:

Wednesday, March 13, 2019 - 7:00-8:30pm

Thursday, April 11, 2019 - 6:30-8:00pm

Monday, May 8, 2019 - 7:30-9:00pm

Information Sessions to be held at:

1 Cherry Lane, Ramsey NJ 07446
