The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices. In particular, your visits of Monaco, the Gardens of Villa Rothschild and St. Paul de Vence village involve negotiating some steep inclines over cobblestones, gravel or multiple flights of steps. Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas such as the Old Town of Nice, Monaco, Saint-Honorat Island and St. Paul de Vence. For your comfort, we recommend bringing walking shoes. If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of these areas and may want to consider an alternate program with us. Our Client Care Agents can provide additional information or assistance to help you determine the perfect trip for you.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

\*The Little Train tour operates from February to mid-November. In the other months, travelers selecting this choice will transfer to the Monte Carlo district by public bus.

\*\*The Saint-Honorat Island cruise operates weather permitting, is dependent on sea conditions, and is only available from April to October. Tours from November through the end of March will visit an alternate winery.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.
